My Recycling & Waste Reduction Check List

- Make sure my Department has a recycling program and coordinator
- Double-side all printed and photocopied documents
- Print forms as needed rather than stockpiling hard copies
- Use e-mail to send official memos
- Use e-mail or scrap paper for internal memos
- Proof documents on screen
- Create routing slips to distribute information vs. giving each person a copy
- Use smaller margins and less white space in documents
- Use scrap paper for notes, drafts, and memo pads
- Print drafts on the back side of paper that has already been used
- Have a box or bin to collect copy/printing paper for reuse
- Separate recyclables—contaminated loads end up in landfills
- Promote and use recycled content paper
- Recycle soft-drink, water, and juice cans and bottles purchased from vending machines
- Use fax transmission stickers instead of a full-page coversheet
- Recycle newspapers generated in the office
- Reuse file folders, paper clips, rubber bands, etc
