The first premium is due and payable on the effective date of The Policy. Subject to The Policy's grace period provision, all premiums after the first must be paid when or before they are due.

Premiums are based on the employee's age on his or her effective date and thereafter on the first day of the month following the month in which his or her birthday occurs.

Premiums are based on the Spouse's age on his or her effective date and thereafter on the first day of the month following the month in which his or her birthday occurs.

Grace Period

The Company will allow the Policyholder a 45 day grace period for the payment of all premiums after the first. During this 45 day period, The Policy will stay in force. If the owed premium is not paid by the 45th day, The Policy will automatically terminate. The Company will reinstate The Policy upon receipt of all current and delinquent premiums within 10 days from the termination date. If the Policyholder gives The Company written advance notice of an earlier cancellation date, The Policy will terminate on the earlier date. Premium is due for each day The Policy is in force.

Monthly Premium Rate Guarantee

Initial Monthly Premium Rates are guaranteed as follows:

Benefit	Rate Guarantee Period

Supplemental Life Insurance	until July 1, 2023

However, The Company may change the premium rates during the Rate Guarantee Period if there is a change in The Policy, or if there is a 10% increase or decrease in the number of insured Employees, or if the Policyholder adds or deletes a subsidiary or affiliated business entity. The Company may also change the premium rates during the Rate Guarantee Period if there has been a material misstatement in the reported experience during the pre-sale process. The Rate Guarantee Period in no way affects, amends or supersedes any other provision in The Policy.

All statements made by the Policyholder, or persons insured under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or personal representative.

Incontestability

Except for non-payment of premium, the insurance provided by The Policy cannot be contested after such insurance has been in effect for a period of 2 years.

Changes

The Company reserves the right to make changes in The Policy, after The Policy has been in force for 12 months. The Company will give the Policyholder 31 days advance written notice of any change. No agent has authority to change or waive any part of The Policy. To be valid, any change or waiver must be in writing, approved by one of our officers and made a part of The Policy.

Clerical Error

Clerical error (whether by the Policyholder, the Plan Administrator, or The Company) in keeping the records having to do with The Policy, or delays in making entries on the records, will not void the insurance of any person if that insurance would otherwise have been in effect. A clerical error will not extend the insurance of any person if that insurance would otherwise have ended or been reduced as provided by The Policy. When a clerical error is found, premiums and benefits will be adjusted based on the true facts and The Policy.

Such change:

**NOTICE OF
PROTECTION PROVIDED BY
NEW MEXICO LIFE INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the New Mexico Life Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under New Mexico law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Mexico law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in present value of annuity benefits

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000 (\$500,000 for hospital, medical and surgical insurance policies).

Note to benefit plan trustees or other holders of unallocated annuities covered under the act: For unallocated annuities that fund certain governmental retirement plans, the limit is \$250,000 in present value of annuity benefits per plan participant. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held or number of persons covered.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under New Mexico law.

To learn more about the above protections, please visit the Association’s website at www.nmlifeqa.org, or contact:
